This recommendation does not represent the payment of any personal pledge or other financial obligations. If any benefits or privileges are offered in connection with this grant, I/we have not and will not accept them. I/We understand that the American Foundation™ will perform its own review of the charitable organization that I/we have recommended. Grant recommendations can be made for 5% of the value of your family foundation.

The American Foundation™ generally reviews charitable grant recommendations daily and, upon approval by the Directors, will seek to make the grant as soon as is possible. The American Foundation For Charitable Support, Inc., however, reserves the right to process grants every four to six weeks if necessary.
